PARENTS: An individual under 18 years of age must have a parent (or legal guardian) sign their application for a library card. If the parent (or legal guardian) is not present, the minor may take the application form home, have it signed by the parent or guardian, and return it to the library. The library will then mail the minor's card to them, thus verifying their name and address. By signing this application, you agree that your child has permission to check out any of the library's materials. **All patron records are confidential, including those of Young Adults (ages 11 – 18). Young Adult records may only be reviewed by the responsible party when items are overdue.**

All patrons must sign a separate agreement to use the personal computers and the Internet.
